Kitchen & Bathroom Cabinet Manufacture

## Company Introduction

Fuzhou Cabinext furniture manufacturing Co. Ltd is a professional millwork manufacturing company. We specialize in wholesale distribution of vanities, kitchens and wardrobe systems and the accessories that pertain to this industry.

Cabinext has been in business in china since being established in 1998. In this time we have become one of the largest manufacturing and exporting companies in Fujian Province. Our facility encompasses more than 130,000 sq ft with advanced machine and production lines. Our abundant human resources combined with our courteous and efficient management team make us very competitive in the international markets.

We are an authorized ISO9001/2000 and ISO14025 factory. The strictest quality control measures have been put in practice to cover all procedures. Due to our dealings with foreign markets we have learned to ensure our procedural formalities encompass all divisions from purchasing to shipping. We exceed all related national standards including American and European.

We ensure quality in these fields:

1. Moisture content of solid woods
2. Abrasion resistance to all finishes
3. Structural stability
4. Formaldehyde release levels
5. We also adhere to western standards with regards to lead and other hazardous product.

Utilizing advanced technology, our flexible operating systems have enabled us to maintain sales and distribution both here and abroad. With focus on improving management in order to adapt to best meet changing market conditions.

We welcome companies world-wide to contact us for mutually beneficial business.
